

10. Numbers. 21-100

From twenty to a hundred is easy.

You just have to learn seven more numbers:

Thirty, thirty! Forty, forty!

Fifty, fifty! Sixty, sixty!

Seventy, seventy! Eighty, eighty! Ninety, ninety!

Sing them again.

Thirty, thirty! Forty, forty!

Fifty, fifty! Sixty, sixty!

Seventy, seventy! Eighty, eighty! Ninety, ninety!

Now add the numbers from one to nine:

Twenty-one, twenty-one! Thirty-two, thirty-two!

Forty-three, forty-three! Fifty-four, fifty-four!

Sixty-five, sixty-five! Seventy-six, seventy-six!

Eighty-seven, eighty-seven! Ninety-eight, ninety-eight!

Ninety-nine and a hundred.
